

INSTRUCTIONS FOR THE TOURIST COACHES ENTERING PIRAN

Dear

Coming to Piran by a tourist coach there are a couple of traffic regulations that you have to respect. You may enter Piran by coach only with the authorisation of the staff at the check-point. You have to contact the staff of "Okolje Piran" at the check-point and explain the purpose of your visit to Piran. After having received the authorisation you can only proceed to the bus station (from the bus station further the coach traffic is forbidden). At the bus station you may stop only shortly (getting off/getting on, luggage...) and then you have to leave Piran. Please do follow the traffic instructions. The capacity of the parking place is limited and do not allow parking of several coaches at the time. When leaving Piran you can park at the bus-parking place in Lucija (follow the traffic signs parking place Lucija).
